· Great course and an even better teacher!

· Mr. Storm is clearly passionate about the subject he teaches and works hard to make sure all his students understand the material. His teaching style is very engaging and his tests are challenging. Overall, I feel nearly all of us in his class have learned a lot, and I would recommend him to anyone taking the courses he teaches.

· The instructor did a mid semester eval for himself where as students didn't have to complete if they did not want to. However he clearly read those evals and adjusted his course to meet the students prefread teaching methods, this was very helpful overall.

· Phenomenal teacher
