Please provide any additional comments regarding the instructor or course.

- Storm is amazing!
- Professor Storm is a very likable and capable instructor who manages to make a not too interesting topic quite engaging. His class structure is efficient and his grading is fair. Overall, he is a fantastic professor and a very personable guy.
- Eduard is a terrific instructor, charismatic and highly attentive. He's an asset to the university.
- lectures often dragged on and were hard to listen to. The tests were difficult as there was often material not covered in class. That being said, the grades were accommodating and he was helpful when approached.
- Boring course not the teachers fault and the tests had too much intuition that had no specific answer which was confusing on how we got graded on that
- Eduard was extremely engaging and helpful and made learning econ very enjoyable. Thanks Eduard!!
- He went into detail about every lesson and provided real life examples. It was interesting to see how this class ties into real life and how it influences everything around us. He was very effective in his teaching methods.
- One of the best instructors I've ever had.
- Great teacher
